

## **\*\*Please be advised – New Bill Format\*\***

We have changed our bills! Going forward, you will receive your invoice in a regular sized envelope with “invoice enclosed” on the front. Detach and return the lower portion of the bill with your check to ensure proper credit to your account. We are including a pre-addressed return envelope for your convenience.

**Remember that you can pay your bill online!** Payment methods are still the same; credit cards or checks online thru the website, credit cards or checks over the phone, auto-pay, mail a check or drop off at our office. We do **not** accept cash.

Please keep an eye out for these new bills.
